

Privacy policy

This document represents the rules for the use of the User's personal information by the website <https://enhofchina.com>.

According to the Law "On Personal Data", the person who collects such data on the Internet must publish or otherwise provide unrestricted access to a document that defines his policy regarding the processing of personal data and contains information on the requirements for the protection of personal data.

1. When filling out the application form on the site, the data you entered, such as: e-mail address and contact phone number are saved in the database of the site administration. The data you provide are not provided to third parties, except in cases where it is provided by laws.
2. By filling in the email address and contact phone number in the application form on the site, you automatically agree to mail and SMS mailings with advertising and news materials from the site, as well as to notifications about the status of processing your application on the site.
3. Leaving personal contact information on third-party web widgets installed on the site, you also consent to the use of data in the interests of the site administration specified in clause 2 of the Privacy Policy.
4. Third-party advertising providers on the site, including Google (google.com) and the Yandex Advertising Network (yandex.ru), may use cookies stored on the user's computer and display advertisements based on stored cookies and / or your search history requests. You have the option to disable the use of cookies in your browser settings or on the websites of advertising providers.
5. You can at any time ask to remove any information about you from the site database or mailing list using the contact form.
6. Providers of data on statistics of visits to the site (Google Analytics, Yandex.Metrica, Livinternet, Rambler) can also store in their databases data on the IP addresses of visitors, cookies or other information (for example, search queries by which the user came to the site; referral sources).
7. Information about visitors can be stored in the logs of the hosting provider of the site.
8. To clarify any details about the privacy policy and terms of use, you can contact the site administration through any channel of the proposed communication.
